

Linkin Park - One Step Closer

[Intro]

Em C Am Em X 2

[Verse 1]

Am C Am Em

I cannot take this anymore

C Am Em
I'm saying everything I've said before

C
All these words they make no sense

Am Em
I find bliss in ignorance

C
Less I hear the less you'll say

Am Em
But you'll find that out anyway

C Em
Just like before

[Chorus]

Em C
Everything you say to me

Em C Am
Takes me one step closer to the edge

Em
And I'm about to break

C
I need a little room to breathe

Em C Am
Cause I'm one step closer to the edge

Em
And I'm about to break

Em C Am Em
I find the answers aren't so clear

Em C Am Em
Wish I could find a way to disappear

C
All these thoughts they make no sense

Am Em

I find bliss in ignorance

C

Nothing seems to go away

Am Em

Over and over again

C Em

Just like before

[Chorus]

Everything you say to me

Em C

Everything you say to me

Em C Am

Takes me one step closer to the edge

Em

And I'm about to break

C

I need a little room to breathe

Em C Am

Cause I'm one step closer to the edge

Em

And I'm about to break

Em C

Everything you say to me

Em C Am

Takes me one step closer to the edge

Em

And I'm about to break

C

I need a little room to breathe

Em C Am

Cause I'm one step closer to the edge

Em

And I'm about to break

[Instrumental]
