Elvis Presley - Always On My Mind

```
G
               D/F#
Maybe I didn't treat you
Em
                   C
                                 C
                                      D
Quite as good as I should have
               D/F#
Maybe I didn't love you
Quite as often as I could have
C
                             G
Little things I should have said and done
       C/B
                      Am
                              G
                                  Em D
I just never took the time
D
                      G
You were always on my mind
         D
                           C
                                 D
You were always on my mind
               D/F#
G
Maybe I didn't hold you
                                     D
Em
All those lonely, lonely times
                    D/F#
And I guess I never told you
Em
I'm so happy that you're mine
If I make you feel second best
          C/B
                              G
                                  Em D
Girl, I'm sorry I was blind
You were always on my mind
         D
                                 D
You were always on my mind
G D/F#
                                  C/B
                                                    Am
                                                            D
        Em D
T e 11
               tell me that your sweet love hasn't died
        me,
G D/F#
                                          C/B
       Em D
                      C
                                                        Am
                                                              D
                                                                      G
