Justin Timberlake - Selfish
Justin Timberlake - Selfish
В
If they saw what I saw
С
                         Dm7
They would fall the way I fell
                        Am
But they don't know what you want
Dm7
And baby, I would never tell
В
If they knew what I know
С
                        Dm7
They would never let you go
        Am
So guess what?
       Dm7
I ain't ever lettin' you go
      В
'Cause your lips were made for mine
   С
And my heart would go flatline
   Dm7
            Am
                               Dm7
If it wasn't beatin' for you all the time
Chours:
           В
                           С
So if I get jealous, I can't help it
      Dm7
                                   Dm7
                   Am
I want every bit of you, I guess I'm selfish
It's bad for my mental, but I can't fight it, when
          Dm7
                           Am
                                            Dm7
You' re out lookin' like you do, but you can' t hide it, no
В
Put you in a frame, ooh, baby, who could blame you?
