С G/B Call you up in the middle of the night, like a firefly without a light. Am G You were there like a blowtorch burning, i was a key that could use a little turning. С G/B So tired that I couldnt even sleep. So many secrets I couldnt keep. G Am Promised myself I wouldnt weep. One more promise I couldnt keep. F Δm It seems no one can help me now, and Im in too deep theres no way out. F Em G G This time I have really led myself astray.....

C Em Runaway train never going back. Wrong way on a one way track Am G Seems like I should be getting somewhere, somehow Im neither here nor there.

G/B С Can you help me remember how to smile, make it somehow all seem worthwhile. Am G How on earth did I get so jaded? Lifes mystery seems so faded. С G/B I can go where no one else can go, i know what no one else knows. Am Here I am just drownin in the rain, with a ticket for a runaway train... Am And Everything is cut and dry, day and night Earth and Sky. F Em G G Somehow I just dont believe it...
