

Dubioza Kolektiv - USA

H am H
I am from Bosnia Take me to America
H am H
I really want to see Statue of Liberty
H am H
I can no longer wait Take me to United States
H am H
take me to Golden Gate I will assimilate

H
The grass is always greener in neighbors' courtyard

I wish to leave this nightmare go to a Promised Land

Please, take me to your leader I want my green card
em
I want to fly over
em
I want my green card

H
I want to start all over and turn a new page
H
Forget this dreadful story and turn a new page

I'm waiting for chance to get out of the cage
em
I feel like a slave on a minimal wage

I am from Bosnia
Take me to America
I really want to see
Statue of Liberty
I can no longer wait
Take me to United States
take me to Golden Gate
I will assimilate

H am H
One day, when you reach the end
H am H
One day, you will understand
em C H
One day, back to roots my friends
H am H
No place like a motherland

em i H, pa se ponavlja

I hoped I'll find what I need
I'll be free like a bird
Now we're pushed in a ghetto
Like the sheep in a herd
All the promises I heard
Became empty words
Completely disconnected
From the rest of the world

The grass is never greener
in neighbors' courtyard
I want to start all over
Return to No Mans Land
Send greetings to your leader
Don't want your Green Card
I want to fly back
Like a rocket to the Balkans
