Dm      A#                      F              C  
Do you know what's worth fighting for,  
Dm              A#              F              C  
When it's not worth dying for?  
Dm              A#              F              C  
Does it take your breath away  
A#                                      C  
And you feel yourself suffocating?  
Dm              A#              F              C  
Does the pain weigh out the pride?  
Dm              A#              F              C  
And you look for a place to hide?  
Dm              A#                      F              C  
Did someone break your heart inside?  
A#                                      C5  
You're in ruins
