

## U2 - With or without you

D            A                            Bm  
See the stone set in your eyes  
             G                            D  
See the thorn twist in your side  
             A                            Bm                            G  
I'll wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I'll wait without you

With or without you  
With or without you

Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you

With or without you  
With or without you  
I can't live with or without you

Hoo o ooo

Hoo o ooo

Hoo o ooo

Ooo

With or without you

With or without you oorro
