

Sam Smith - Writing's on the Wall (Spectre)

Uvod:Fm G# 2x

Fm G#
I've been here before
Fm G#
But always hit the floor
C#
I've spent a lifetime running
C
And I always get away
C#
But with you I'm feeling something
C
That makes me want to stay

Fm G#
I'm prepared for this
Fm G#
I never shoot to miss
C#
But I feel like a storm is coming
C
If I'm gonna make it through the day
C#
Then there's no more use in running
C
This is something I gotta face

Fm D# C# Fm
If I risk it all
Fm D# C# G# C
Could you break my fall

Refren:

Fm D#
How do I live? How do I breathe?

C# D#
When you're not here I'm suffocating
Fm D#
I want to feel love, run through my blood
C# C
Tell me is this where I give it all up?
A#m C
For you I have to risk it all
Fm
Cause the writing's on the wall

A million shards of glass
That haunt me from my past
As the stars begin to gather
And the light begins to fade
When all hope begins to shatter
Know that I won't be afraid

If I risk it all
Could you break my fall?
