

E D

I've been searching for you
I heard a cry within my soul
I've never heard a yearning quite
Like this before
Know that you are
Walking right through my door

I wonder if I'll ever see you again
And if that day comes, I know we could win
I wonder if I'll ever see you again

A sacred gift from heaven
For better worse whenever
And I would never let somebody
Break you down
Or take you crown,
Never

I wonder if I'll ever see you again
And if that day comes, I know we could win

I wonder if I'll ever see you again

[Bridge] (a cappella)

(Through time)

I've always known

Em

(That you were there)

Upon your throne

(A lonely queen)

Without her king

(I longed for you)

My love, forever!
