James Arthur - Impossible

Em
I remember years ago
G
Someone told me I should take
D
Caution when it comes to love
C
I did, I did
Em
And you were strong and I was not
G
My illusion, my mistake
D
I was careless, I forgot
C
I did

       C
And now when all is done
                        D
There is nothing to say
                                Em
You have gone and so effortlessly

You have won
                 D
You can go ahead tell them

                   Em

Tell them all I know now
                   G
Shout it from the rooftops
                    D
Write it on the skyline
              C
All we had is gone now
                  Em
Tell them I was happy
                G
And my heart is broken
                   D
All my scars are open
                  C
Tell them what I hoped would be
        Em   G
Impossible, impossible
          D   C
Impossible, impossible

Em
Falling out of love is hard
G
Falling for betrayal is worst
D
Broken trust and broken hearts
C
I know, I know
Em
Thinking all you need is there
G
Building faith on love is worst
D
Empty promises will wear
C
I know (i know)
