## Divlje Jagode - I want your love

G I got no money, I got no car I need somebody, I need some love

## С

Help me baby, I know you can do it

## G

Tell me baby what is wrong. B F G I want your love all night long.

G I need some action, I need a love One who cares if you shoot me down

C Help me baby, I know you can do it

G Tell me baby what is wrong.

B F G I want your love.

I wanna be your lover, I wanna be your star I don't care if you stay around Listen baby, listen to me Oh, I rather wanna be rock'n'roller.

I want your love all night long.

Listen baby now, I got no money, I got no car I need somebody, I need a love I don't care if you stay around I don't care if you go.

I want your love all night long

I want your love all night long I want your love all night long I want your love.
