I'm all out of hope

One more bad dream could bring a fall
E C#m
When I'm far from home
G#m
Don't call me on the phone
B
To tell me you're alone
E C#m
It's easy to deceive
G#m
It's easy to tease
B
But hard to get release

A B
Les yeux sans visage eyes without a face
A B
Les yeux sans visage eyes without a face
A B F#m
Les yeux sans visage eyes without a face
G#m7 E
Got no human grace your eyes without a face.

( C#m G#m B )

E C#m
I spend so much time
G#m
Believing all the lies
B
To keep the dream alive
E C#m
Now it makes me sad
G#m
It makes me mad at truth
           B
For loving what was you

A                   B
Les yeux sans visage eyes without a face
A                   B
Les yeux sans visage eyes without a face
A                   B
Les yeux sans visage eyes without a face

When you hear the music you make a dip
Into someone else's pocket then make a slip.
Steal a car and go to Las Vegas oh, the gigolo pool.

Hanging out by the state line,
Turning holy water into wine
Drinkin' it down, oh
I'm on a bus on a psychedelic trip
Reading murder books tryin' to stay hip.
I'm thinkin' of you you're out there so
Say your prayers.
Say your prayers.
Say your prayers.

E                   C#m
Now I close my eyes
               G#m
And I wonder why
           B
I don’t despise
E       C#m
Now all I can do
           G#m
Is love what was once
                   B
So alive and new
                        F#m
But it’s gone from your eyes
                   B
I’d better realise

A       B
Les yeux sans visage eyes without a face
A       B
Les yeux sans visage eyes without a face
A       B             F#m
Les yeux sans visage eyes without a face
                  G#m7                  E
Got no human grace your eyes without a face.
                  G#m7                  E
Such a human waste your eyes without a face

And now it’s getting worse.
