Anastacia - I'm Outta Love

[Intro]   Bbm   F   G#   Eb   x2

[Verse 1]

```
Bbm              F
Now baby come on
      G#                      Eb              Bbm
Don't claim that love you never let me feel
              F/A
I should have known
       G#                      Eb
'Cause you've brought nothing real
              Bbm
Come on be a man about it
          F
You won't die
  F#               Es                    F
I ain't got no more tears to cry
      Bbm                   F
And I can't take this no more
          F#            F
You know I gotta let it go
```

And you know

[Chorus]

```
        Bbm
I'm outta love
     F
Set me free
        G#      Eb
And let me out this misery
              Bbm              F
Just show me the way to get my life again
      G#               Eb
'Cause you can't handle me
```

1

```
                    Bbm
I said I'm outta love
          F
Can't you see
          F#                    F
Baby that you gotta set me free
          Bbm
I'm outta love

Yeah

[Verse 2]

Bbm              F
Said how many times
G#              Eb              Bbm
Have I tried to turn this love around?
          F/A
But every time
G#              Eb
You just let me down
              Bbm
Come on be a man about it
F
You'll survive
F#                      F
True that you can work it out all right
        Bbm
Tell me, yesterday
        F
Did you know?
          F#              F
I'd be the one to let you go?

And you know

[Chorus]

        Bbm
I'm outta love
```
2

```
       F
Set me free
          G#        Eb
And let me out this misery
                  Bbm           F
Just show me the way to get my life again
      G#              Eb
&#39;Cause you can&#39;t handle me
                Bbm
I said I&#39;m outta love
         F
Can&#39;t you see
         F#             F
Baby that you gotta set me free
F#
I&#39;m outta love
```

[Bridge]

```
F#
Let me get over you
F7
The way you&#39;ve gotten over me too, yeah
Es
Seems like my time has come
     C              F
And now I&#39;m moving on

I&#39;ll be stronger
```

[Chorus until Fade]

```
                 Bbm
I&#39;m outta love
      F
Set me free
         G#        Eb
And let me out this misery
                Bbm           F
Just show me the way to get my life again
```

```
        G#                    Eb
'Cause you can't handle me
                    Bbm
I said I'm outta love
            F
Can't you see
            F#                    F
Baby that you gotta set me free
            Bbm
I'm outta love

Yeah

            Bbm
I'm outta love
        F
Set me free
            G#          Eb
And let me out this misery
                    Bbm                F
Just show me the way to get my life again
        G#                    Eb
'Cause you can't handle me
                    Bbm
I said I'm outta love
            F
Can't you see
            F#                    F
Baby that you gotta set me free
            Bbm
I'm outta love

Yeah
```
