

G D G
Goodbye to you my trusted friend

Together we've climbed hills and trees

Skinned our hearts and skinned our knees

Am
When all the birds are singing in the sky

Am
Pretty girls are everywhere

Refren:

D G

But the hills that we climbed were just seasons out of time

G D G
Goodbye papa, please pray for me

G

You've tried to teach me right from wrong

D G

Wonder how I got along

G D G
 Goodbye papa it's hard to die
 Am
 When all the birds are singing in the sky
 G
 Now that spring is in the air
 Am
 Little children everywhere
 D G
 When you see them I'll be there

Refren:

D G Am
 We had joy we had fun we had seasons in the sun
 D G
 But the wine and the song like the seasons have all gone
 D G Am
 We had joy we had fun we had seasons in the sun
 D G
 But the wine and the song like the seasons have all gone

Strofa lll

G D G
 Goodbye Michelle my little one
 Am
 You gave me love and helped me find the sun
 G
 And every time that I was down
 Am
 You would always come around
 D G
 And get my feet back on the ground
 G D G
 Goodbye Michelle it's hard to die
 Am
 When all the birds are singing in the sky
 G
 Now that spring is in the air
 Am
 With the flowers everywhere
 D G

I wish that we could both be there
