Is all your life will ever be			

Unfortunately I'm not sure about this last line.  
It might be completely wrong. If so, feel free to correct.  
Here's the rest of the lyrics, same chords should apply...

1

You race toward an early grave.

(and right after the last chord of "Time" theres...)

Breathe Reprise

Home, home again

I like to be there when UI can

When I come in cold and tired

It's good to warm my bones beside the fire

Far away across the field

The tolling of the iron bell

Calls the faithful to their knees

To hear the softly spoken magic spells.
