G G7 B
Is all your life will ever be

Unfortunately I'm not sure about this last line.
It might be completely wrong. If so, feel free to correct.
Here's the rest of the lyrics, same chords should apply...

Run, run rabbit run
Dig that hole, forget the sun,
And when at last the work is done
Don't sit down it's time to start another one
For long you live and high you fly
But only if you ride the tide
And balanced on the biggest wave

You race toward an early grave.

(and right after the last chord of "Time" theres...)

Breathe Reprise

Home, home again

I like to be there when UI can

When I come in cold and tired

It's good to warm my bones beside the fire

Far away across the field

The tolling of the iron bell

Calls the faithful to their knees

To hear the softly spoken magic spells.
