

Alphaville - Sounds Like A Melody

Intro: G, Dm, Am, Em, G, Dm, Am, Em, G

G Dm
It's a trick of my mind
Am
Two faces bathing in the screenlight
Em G
She's so soft and warm in my arms
Dm
I tune it into the scene
Am
My hands are resting on her shoulders
Em G
When we're dancing away for a while
Dm
Oh we're moving, we're falling,
Am
We step into the fire
Em G
By the hour of the wolf in a midnight dream
Dm
There's no reason to hurry
Am
Just start that brand new story
Em G
Set it alight, we're head over heels in love,
Head over heels...

Dm
The ringing of your laughter
Am
It sounds like a melody
Em
To once forbidden places
G
We'll go for a while
Dm
The ringing of your laughter
Am

It sounds like a melody
Em
To once forbidden places
G
We'll go for a while

Instrumental: Dm, Am, Em, G

It's the definite show
Our shadows resting in the moonlight
It's so clear and bright in your eyes
It's the touch of your sighs
My lips are resting on your shoulder
When we're moving so soft and slow

We need the ecstasy, the jealousy,
The comedy of love
Like the Cary Grants and Kellys once before
Give me more tragedy, more harmony
And fantasy, my dear
And set it alight, just starting that satellite
Set it alight...

The ringing of your laughter
It sounds like a melody
To once forbidden places,
We'll go for a while
The ringing of your laughter
It sounds like a melody
To once forbidden places,
We'll go for a while
